me: So I write for The New York Observer now, yo

me: they want me to do a bunch of attack pieces on various New York writers

me: like Michael Wolffe, for instance

me: Who is a douchebag

BushwickBK.com: oh fun

me: also got yet another piece on Friedman that just went up on HuffPo

BushwickBK.com: I reall enjoy those

BushwickBK.com: he is such a tool

me: got this Baghdad correspondent on my side now, guy hates Friedman because he has to live in Baghdad

BushwickBK.com: who

me: Michael Hastings

BushwickBK.com: oh I don't know him

me: He likes me now, going to try to recruit him into my Coalition of the Illin'

me: off-topic, but if you like Prodigy, you should check out their Moscow 97 show on YouTube

me: you probably don't though

me: I bet you have crappy taste in music

me: no offense

me: I guess that was offensive despite me proclaiming otherwise just now

me: anywho

me: fucking Liz Cheney

me: did you know Michael Moore sued Mother Jones because they fired him as editor?

me: He sued fucking Mother Jones

BushwickBK.com: I don't have a taste in music, so dn't worry

BushwickBK.com: I basicall don't listen to music

BushwickBK.com: peopel think I'm some kind of serial killer when I say that

BushwickBK.com: but there it is

me: Well, better to have no taste then bad taste

BushwickBK.com: Lz Cheney needs to get alqaedaed by real alqaedas

BushwickBK.com: forget those lberal fagot lawyers

me: she needs to get a real job that doesn't stem from her last name

BushwickBK.com: unlikely

BushwickBK.com: Michael Moore is hypocritical trash for so many reasons

BushwickBK.com: I hope he was fired for being FAT tho

me: yeah, but that's pretty much the most blatant reason right there

BushwickBK.com: that would please me

me: he sued a progressive magazine

me: I mean, wtf

me: Imagine if GM had sued Mother Jones

me: something tells me he would have some sort of opinion about that

me: also, Bowling for Columbine

me: at the end, he talks to Charleton Heston at his house

me: I can't even finish the anecdote

me: it's too ridiculous

BushwickBK.com: haha

BushwickBK.com: actually I heard that was his least insane movie

BushwickBK.com: my mom used to be a complete anti-gun nutbag

BushwickBK.com: she's now neutral and thinks it depend on who owns them

BushwickBK.com: after seeing that

me: he's just a giant fucking douchebag with his ham-fisted nonsense

BushwickBK.com: fahrenheit 9/11 annoyed and I'm sympathetic to the message!

me: the most annoying thing about that movie

me: was seeing it in a theater in Austin

me: and there were these fucking liberal hipster doucebags in front of us

BushwickBK.com: oh god were they furiously nodding and going "yeah"

me: during the commercials before the movie....

me: no worse

me: after some particularly consumerist commercial finished

me: one of them yells out, ironically of course, "GOD BLESS GEORGE BUSH WOOOOOO"

me: expecting that the rest of the audience would laugh and clap or some such

me: but no one did

me: actually, I guess that was cool

BushwickBK.com: haha

BushwickBK.com: god one time I was in Florida and my annoying NY Jew cousins were there

BushwickBK.com: for their grandmother's bday I think, 80th? 75th?

BushwickBK.com: anyway

BushwickBK.com: we were talking and my stepbrother's baby came up

BushwickBK.com: they were gasping and tut-tutting

BushwickBK.com: at such teenage pregnancy

BushwickBK.com: one said "Well that's Bush's America!":

me: lol

BushwickBK.com: me, Luis, my little brother just stared at her

BushwickBK.com: if anything, Democrats basically wan to pay underage single mothers to have children

BushwickBK.com: so the comment was really totally nutty partisan

BushwickBK.com: unthinking party-line cosmo Jew think

me: more like the JEW York Observer!

BushwickBK.com: like my grandmother saying on my fb about friedman that she loves him

BushwickBK.com: "he's very smart and knows a lot abotu the world" or some shit 5/31/26, 11:37 AM

me: yeah, all grandmothers seem to like FRiedman

BushwickBK.com: he's just sophisticated enough to make them feel smart I guess

BushwickBK.com: old ppl ae dumb

me: my fucking conservative uncle's really conservative mom said the same thing when I was home for Christmas

me: "He's one of my favorite people!"

me: guy appeals to both left and right

BushwickBK.com: he's so fucking ignorant

BushwickBK.com: he invents facts

me: which is either really good or really bad, as the case may be

me: yeah, no shit

BushwickBK.com: he invents motivations

me: I'll send you my chapter on Friedman

me: no matter how much you dislike him, you will dislike him more

BushwickBK.com: haha, I look forward to it

me: I mean, seriously
